GREENBUILD 2020 EXHIBITOR CONTRACT TERMS AND CONDITIONS

1. Defined Terms

The term "Event" means Greenbuild 2020, currently scheduled to be held Nov. 3-7 (the "Event Dates") at the San Diego Convention Center in San Diego, CA USA (the "Exhibit Facility"). The Event is owned, produced and managed by KNECT365 US, Inc. As used hereinafter, the term "KNECT365" means, collectively, KNECT365 US, Inc and each of its officers, directors, shareholders, agents, subsidiaries KNECT365s, affiliates, representatives, employees and assigns, unless the context requires otherwise. The term "Exhibitor" means, collectively, the entity or person that executes this Contract as the "Exhibitor" and each of its officers, directors, shareholders, employees, contractors, agents, representatives, assigns and/or invitees, as applicable. The term "Contract" means this agreement, all amendments and modifications thereto, and all other materials, documents, rules and regulations expressly incorporated herein by reference.

2. Contract Acceptance

This Contract shall become binding and effective only when it has been signed by Exhibitor or Sponsor and accepted as valid by a duly authorized representative of KNECT365. The final exhibit space specifics and/or location may be different from the Exhibitor's original requests. KNECT365 reserves the right to deny access to any company.

3. Qualifications of Exhibitor

KNECT365, in its sole discretion, determines whether a prospective exhibitor is eligible to participate in the Event. Eligibility is generally limited to persons or firms who manufacture, remanufacture, or supply products, tools, equipment, supply KNECT365s or services used for the commercial building and Green building industry. KNECT365 reserves the right to restrict or remove any exhibit which KNECT365, in its sole discretion, believes is objectionable or inappropriate.

4. Assignment of Space

Initial space assignments will take place on-site at Greenbuild 2019 in Atlanta, GA, Nov. 20-21, 2019. After these dates, space will be available on a first-come, first-served basis. Deposits must be received by January 1, 2020 or your space will be released. Any such assignment does not imply that similar space will be assigned for future Events. KNECT365 may change the date of the space draw without notice. KNECT365 reserves the right to change the floor plan or the location of an Exhibitor's booth if KNECT365 in its sole discretion determines that to do so is in the best interest of the Event. KNECT365 will consider requests to keep certain companies from being next to each other; however, there is no guarantee that by making this request you will not be located next to one of these companies. KNECT365 assumes no responsibility in such instances.

5. Use of Space

The space contracted for is to be used solely by and for the Exhibitor whose name appears on the Contract, and it is agreed the Exhibitor will not sublet nor assign any portion of same without the prior written consent of KNECT365.

6. Cancellation by Exhibitor

If Exhibitor desires to cancel this Contract, Exhibitor may only do so by giving notice thereof in writing sent to KNECT365 with evidence of receipt. If such written notice is received by January 31, 2020, then Exhibitor will remain liable for 25% of the total exhibit fee. If such written notice is received between February 1 - April 18, 2020, then Exhibitor will remain liable for 75% of the total exhibit fee. Cancellations received after April 19, 2020 will be liable for 100% of the total exhibit fee, regardless of when this Contract is executed by Exhibitor. In addition, Exhibitor will remain liable for 100% of all fees paid or payable in respect of sponsorships and promotional products, regardless of when this Contract is executed or cancelled by Exhibitor. These amounts are considered to be liquidated and agreed upon damages, for the injury KNECT365 will suffer as a result of Exhibitor's cancellation. This provision for liquidated and agreed upon damages is a bona fide provision and not a penalty. The part KNECT365s understand that the withdrawal of the space reserved from availability and, if applicable, the cancellation of sponsorships and/or promotional materials, in each case at a time when other part KNECT365s would be interested in such space and/or products, will cause KNECT365 to sustain substantial damages that will not be capable of determination with mathematical precision. Therefore, the provisions for liquidated and agreed upon damages have been incorporated into this Contract as a valid pre-estimate of these damages. The date of cancellation shall be the date KNECT365 receives written notice. KNECT365 reserves the right to treat Exhibitor's downsizing of booth space as cancellation of the original space and purchase of new booth space, and Exhibitor may be required to move to a new location.

7. Cancellation KNECT365 / Payments

If Exhibitor fails to timely make any payment required by this Contract or otherwise breaches any of its obligations under this Contract, KNECT365 may immediately terminate this Contract (and Exhibitor's participation in the Event) by providing written notice (or, if appropriate under the circumstances, oral notice with written notice to follow) to Exhibitor of such termination. KNECT365 shall have no obligation to refund monies previously paid. KNECT365 reserves the right to refuse Exhibitor permission to move in and set up an exhibit if Exhibitor is in arrears of any payment due to KNECT365. KNECT365 is expressly authorized (but has no obligation) to occupy, cause to be occupied or dispose of any space vacated or made available by reason of action taken under this paragraph in such manner as it may deem best, and without releasing Exhibitor from any liability hereunder. KNECT365 reserves the right to terminate this contract at any time.

***CREDIT CARD:** KNECT365 is a PCI compliant company and as such we are prohibited from receiving card holder data via email or any other unsecured method where card holder data can be stored. Exhibitor authorizes Greenbuild to charge to the credit card provided according to the Contract payment terms. If the credit card is declined, the Exhibitor acknowledges they are responsible for the full contracted amount. Cancellation and refund requests are subject Clause 6. Exhibitor acknowledges and agrees they are obligated to pay the credit card company in accordance with the credit card account agreement. Exhibitor agrees to resolve any inquiry or dispute concerning credit card charges with Greenbuild. Exhibitor understands that all deposits/final payments are non-refundable. By executing Contract, it is confirmed that you have read and agreed to these terms. For security reasons, digital signatures are not accepted.

***WIRE/ACH:** KNECT365 is not responsible for any losses suffered due to third party fraud or mis-demeanor, including, without limitation, false change of bank account communications, identity theft and other scams. Payments into KNECT365's designated bank account only shall satisfy Exhibitor's payment obligations under this Contract. If you receive any communication notifying of a change in KNECT365's designated bank account, you should verify the authenticity of the change with KNECT365. If KNECT365 does not receive payment by the established due dates KNECT365 may immediately terminate this Contract.

8. Cancellation of the Event

If KNECT365 cancels the Event due to circumstances beyond the reasonable control of KNECT365 (such as acts of God, acts of war, governmental emergency, labor strike or unavailability of the Exhibit Facility), KNECT365 shall refund to each Exhibitor its exhibit space rental payment previously paid, minus a share of costs and expenses incurred by KNECT365, in full satisfaction of all liability KNECT365 to Exhibitor. KNECT365 reserves the right to cancel, re-name or re-locate the Event or change the dates on which it is held. If KNECT365 changes the name of the Event, re-locates the Event to another event facility within the same region, or changes the dates for the Event from which the Event originally was scheduled to be held, no refund will be due to Exhibitor, but KNECT365 shall assign to Exhibitor, in lieu of the original space, such other space as KNECT365 deems appropriate and Exhibitor agrees to use such space under the terms of this Contract. If KNECT365 elects to cancel the Event other than for a reason previously described in this paragraph, KNECT365 shall refund to each Exhibitor its entire exhibit space rental payment previously paid, in full satisfaction of all liabilities of KNECT365 to Exhibitor. Exhibitor agrees that, except as expressly provided in this paragraph, it shall and hereby does waive any and all claims for damages or compensation resulting from or relating to the cancellation, renaming, relocation or rescheduling of the Event.

9. Exhibit Space Occupancy

Hours and dates for installing, occupying and dismantling exhibits shall be those specified by KNECT365. If Exhibitor fails to install its display in its assigned space by 5:00 pm, on November 6, 2020 or leaves its space unattended during the Exhibit hours, KNECT365 shall have the right to take possession of the space, without releasing Exhibitor from any liability or obligation hereunder, and no refund will be due to Exhibitor. All exhibits must be open and manned for business during the Event hours. Exhibitor may not dismantle the display until the Event is officially closed by KNECT365.

10. Promotional Materials

By exhibiting at the Event, Exhibitor grants to KNECT365 a fully-paid, perpetual non-exclusive license to use, display and reproduce the name, trade names and product names of Exhibitor in any directory (print, electronic or other media) listing the exhibiting companies at the Event

and to use such names in KNECT365 promotional materials. KNECT365 shall not be liable for any errors in any listing or descriptions or for omitting any Exhibitor from the directory or other lists or materials. KNECT365 may also take photographs of Exhibitor's booth space, exhibit and personnel during, before or after the open hours of the Event and use such photographs for KNECT365 promotional purpose. Exhibitor warrants that it owns or has right to use pursuant to a valid license, all intellectual property (copyright, trade mark, etc.) to be used by Exhibitor for promotion or exhibition at the Event.

11. Care of Exhibit Facility

Exhibitor shall promptly pay for any and all damages to the Exhibit Facility or associated facilities both equipment or the property of others caused by Exhibitor. Exhibitors are responsible for removing all displays, product, flooring and trash. KNECT365 will charge the Exhibitor the cost to remove any items left post show.

12. Taxes and Licenses

Exhibitor shall be solely responsible for obtaining any licenses, permits or approvals under federal, state or local law applicable to its activities at the Event. Exhibitor shall be solely responsible for obtaining any necessary tax identification numbers and permits and for paying all taxes, license fees, use fees, or other fees, charges, levies or penalties that become due to any governmental authority in connection with its activities at the Event. 15. Exhibitor Updates

KNECT365 will provide Exhibitor information and updates to the designated representative of the Exhibitor, including an Exhibitor Service Manual. The designated representative of the Exhibitor will also receive updates about the Event via fax, mail, e-mail and/or SMS.

16. Authorization to Contact

Exhibitor acknowledges that KNECT365 shall be permitted to share Exhibitor's name and contact information with, and Exhibitor consents to being contacted directly by, vendors, sponsors and partners authorized by KNECT365.

17. Incorporation of Rules and Regulations

Any and all matters pertaining to the Event and not specifically covered by the terms and conditions of this Contract shall be subject to determination by KNECT365 in its sole discretion. KNECT365 may adopt rules or regulations from time to time governing such matters and may amend or revoke them at any time, upon reasonable notice to Exhibitor. Any such rules and regulations (whether or not included in an Exhibitor Service Manual or similar document) are an integral part of this Contract and are incorporated herein by reference. Exhibitor shall observe and abide by additional regulations made by KNECT365 as soon as they are communicated to Exhibitor. This Contract (including the Exhibitor Service Manual and any additional rules or regulations adopted by KNECT365 from time to time) states the entire agreement of the parties with respect to the subject matter hereof.

18. Installation and Dismantling

Exhibitors must comply with the move-in and move-out times indicated in the Exhibitor Service Manual. If an Exhibitor fails to remove an exhibit in the allowed time, KNECT365 shall be permitted (at Exhibitor's sole expense) to remove and place same in a warehouse subject to the Exhibitor's disposition, and/or to ship to Exhibitor via common carrier/KNECT365 with all charges to follow at no liability to KNECT365. All exhibits must remain intact until the Exhibition is officially closed.

Sponsorship offerings are available to current-year Exhibitors and Show Management approved Non-Exhibitors. Should an Exhibitor, who is also a sponsor, cancel their exhibit space, their sponsorship may also be cancelled. See Clause 6, Cancellation by Exhibitor.

30. Violation of Rules and Regulations

This list of actions is not exhaustive and does not in any way limit available remedies provided in other provisions of this Contract or by law or equity. 31. Lead Retrieval

Exhibitor acknowledges that the exclusive service provider for lead retrieval services will be identified in the Exhibitor Services Manual. Exhibitor may use such service provider to collect contact information from persons who visit such Exhibitor's space ("Attendee Data"). Exhibitor waives any right to assert lack of personal or subject matter jurisdiction and agrees that venue properly lies in Wilmington, DE.

GREENBUILD MANDATORY EXHIBITOR GREEN GUIDELINES (GMEGG)

Greenbuild's Mandatory Green Exhibitor Guidelines (GMEGG) is a required sustainability initiative to be completed prior to arriving on-site at Greenbuild.

The idea is to evaluate how your exhibiting practices are impacting the environment via a short survey. We'll ask you about things like lighting, collateral material in your booth, how you're shipping your booth and transportation while your staff is on-site with the goal of helping you ascertain small changes you can make to reduce your impact on the environment both at Greenbuild and ideally - at all other shows you're exhibiting in.

Exhibitors impact the success of our sustainability efforts on-site and exhibitors who meet all GMEGG requirements are considered for the Greenbuild Green Exhibitor Awards - an excellent way to gain visibility to your organization's sustainable practices and drive traffic to your booth. With each exhibiting company committing to sustainable exhibiting practices and making small changes to the way they exhibit, it adds up to a massive impact (see the results in our previous year [Sustainability Reports](#)).

COMPLETE GMEGG: We require each and every exhibitor complete the Green Exhibitor Guidelines program before you arrive on-site. Access your company's survey using your ecode by signing into your dashboard. We'll help you remember leading up to the show and we'll even have someone call you to assist if you'd like to complete it over the phone.

We'll make every effort to reach you and assist you in completing the survey prior to the show to ensure you have a great exhibiting experience!

ON-SITE OPERATIONS

Exhibitor Responsibility

Each booth is responsible for all materials brought into their booth at Greenbuild. It is the responsibility of the exhibitor to convey all GMEGG requirements and the exhibitor's sustainable practices to all third-party vendors hired by the exhibitor for show set-up, tear-down and staffing. Greenbuild staff will randomly select 10% of exhibitors for an on-site booth sustainability audit. Those selected will be notified in advance and must participate in the audit.

Staff Training

The exhibitor will discuss and make all on-site booth staff aware of the following, prior to the show opening:

- Exhibitors are encouraged to download and utilize the Greenbuild mobile app on-site instead of the printed Expo Guide whenever possible.
- How the booth complied with each GMEGG category (including a printed or electronic copy of the booth's unique responses).
- Baseline knowledge of any other sustainable practices to be conducted within the exhibit booth, including plans for responsible waste management, food & beverage service, nightly shutdown and transportation.

On-Site Transportation

The exhibitor will ask booth staff to do at least one of the following:

- Take the public transit to/from the convention center
- Walk or bicycle to/from the convention center
- If Cabs or ridesharing services (Uber/Lyft) are absolutely necessary, every effort will be made to rideshare in lieu of individual trips
- If public transit and/or walking are not an option, the exhibitor should offset travel to and from the convention center by purchasing carbon offsets.

Waste Management

The Exhibitor will participate in Greenbuild's Waste Management program, by properly disposing of all waste and utilizing all available recycling opportunities throughout the show, including set-up and move-out. Additional waste streams will be provided for special exhibition-related materials.

The exhibitor will not use individual waste containers in exhibit booths. The venue and show management will provide recycling stations throughout the exhibit area for attendee and exhibitor use during show hours. Each exhibitor is responsible for disposing of waste and recyclables at these stations.

The exhibitor will meet one of the following requirements:

- If the exhibitor plans on leaving any items after the show, the exhibitor will donate material through the Exhibitor Donation Program using the appropriate forms and labels.

- The exhibitor will return materials back to local offices or partners after the show.

Food and Beverage Service

Any food and beverage service conducted within the booth will be ordered to minimize disposable material use and properly handle waste in accordance of the requirements of the Greenbuild Waste Management Program.

The exhibitor will meet the following **mandatory** requirement:

- **The only food service ware used in the booth will be China service or compostable ware. The exhibitor will inform attendees of the compostability/recyclability of the products (if applicable), directing them to the proper disposal stream onsite.**

Water Reclamation

If using water for display purposes, the exhibitor must use water reclamation/recycling (i.e. holding tanks). After show, water must be recycled and not dumped down drain.

Exhibitors using EACs

It is the responsibility of the exhibitor to onboard and educate any EAC on Greenbuild's GMEGG and general sustainable exhibiting practices. All EAC companies should be familiar with GMEGG and prepared to speak to it on-site.

Please note, sign-off is required from Exhibitor Appointed Contractors (EACs).

What happens if I don't complete GMEGG? Because sustainability is the heart and soul of Greenbuild and your answers to the survey are critical, we do respectfully ask each exhibitor to complete the survey before you arrive on-site. If your survey is not complete by the time you arrive, you may be unable to set up your booth, receive your orders from Freeman and/or print your badges at registration.

The GMEGG Survey is subject to change annually, and may vary slightly from the requirements listed above. Any changes will be minor and will be published in the first quarter of 2020.
